Black Service Vehicle Management

Black Service is a unique concierge luxury car service that no other company or dealership offers. Black service members can leave it to us to manage the multitude of tasks involved in the maintenance and servicing of their prestige and high-performance cars. Black service members enter the world of sheer luxury. Members are assigned a dedicated service advisor. The service advisor is your single contact point responsible for ensuring total vehicle management, including managing your membership and benefits. Members can consult with their service advisor at any given time on any issue.

Sales and Finance

When looking for your next high performance, luxury vehicle; Black Label Concierge should be your first call. Utilising our extensive nationwide network and exclusive industry connections, we can source some of the world's most prestigious cars. We also have a wide variety of high-end, luxury cars currently already in stock; both brand new and used.

Black Label Concierge can organise bespoke finance packages tailored to suit your vehicle selection by offering competitive rates from specialist lenders. We also offer finance consulting to ensure a high-performance service to match your new high-performance car.

Services and Repairs

Your luxury car is a masterpiece, the epitome of joy and elegance, which is why you will only want to trust it in the hands of the most experienced, dedicated experts for repair or maintenance.

Black Label exclusively works with industry leaders to offer our clientele access to only the best in high performance vehicle repairs. We offer a wide range of services with collection and drop off of your vehicle to your front door:

- Accident Damage Repairs - Wheel Refurbishment - Leather and Alcantara Repairs
- Mechanical Repairs - 24/7 Recovery Truck Services - Audio Repairs

Bespoke request from Black Service

Becoming one of our exclusive Black Service members entitles you access to our long established and extensive network of industry leaders in exclusive body kits and interior customising. Interior designs can be tailored to include in-car entertainment systems. All bespoke exterior and interior customisation requests are carried out to the highest standard:

- Custom Body kits and Interior - Engine tuning and Modifications - Paint Protection
- Vinyl Vehicle Wrapping - Custom Audio fitting - Window Tinting - And much more
